

Virtual Case Manager Assistant

With our **managed care MASTER** platform, transform your paper contracts into a web-based contract portal. Receive real-time alerts tailored to your specific contracts. Don't miss out on the reimbursements you've been missing!

About Us

Managed Care Group delivers intelligent contract and case management for managed care operators, SNF administrators, case managers, and revenue cycle leaders focused on contract compliance and maximizing reimbursements.

Why Choose Us

Gain online visibility to managed care contracts and leverage data-driven alerts and workflows.

Your managed care contracts are embedded in the application, while daily alerts keep your staff on track.

**INTEGRATIONS TO EHR,
THERAPY, CONTRACTS,
& PHARMACY COST**

**PRE-ADMISSION
COST OUT**

**CONTRACT & CASE
MANAGEMENT ALERTS**

**END-OF-MONTH TRIPLE
CHECK REPORTING**

Next-Generation Contract and Case Management

Track revenue gain
and visibility into
ROI

Work unresolved
alerts to gain
revenue

Is your facility
winning or losing
with managed
care?

Contract alerts notify staff to take cost-saving action.

Pre-Admit Cost Out estimates the total cost of the residents at intake.

Revenue Recovery identifies missed or underpaid claims so you collect every dollar owed.

Centralized Dashboard unifies therapy, pharmacy, EHR, & contract data to simplify case management.
